Final Session of Season 1:

- * Tim (4-0) won the final session of June, moving him back into 1st place in the standings. Art (3-1), Jill (3-1), and Tacy (2-1) also finished the season on high notes. High game: Tim (511). High loss: Art (395).

June Wrap-Up:

Season 1 Wrap-Up:

- * The Club moved to the Wirz Park facility in February and never skipped a beat, with 28 players attending at least one session and 19 playing at least 10 games between Jan-Jun 2010. It was also arguably one of the most competitive seasons in the Club's history: 9 different players won a session, 7 different players won a POTM or POTM-R award, and 1st place came down to the final game. Season 2 of 2010 promises to be exciting!
- * 2010-S1 Totals: Sessions 24, GP 591, Bingos 1442, Pts 436677, Players 28

Most Improved Player Award:

- * From 2009 to 2010-S1, Carl improved his win percentage from .592 to .691, his scoring avg from 387 to 398, and his bingo avg from 1.56 to 1.76.

Making a Splash Award:

- * Tacy hadn't played at Club for many years; over the last 6 months, she racked up a .608 win percentage, a 380 scoring avg, and a 1.20 bingo avg., plus she was Apr POTM-R. Linn (.419, 380, 1.47) and Sandy (.364, 340, 0.75) also showed little rust in returning to play after long absences.
- * Also impressive, in their first full seasons at our Club..
 - Supriya had a .600 record, a 376 scoring avg, and a 1.49 bingo avg
 - Jill had a .565 record, a 386 scoring avg, and a 1.44 bingo avg
 - Jim had a .500 record, a 384 avg, a 1.42 bingo avg, and was Mar POTM

A Few of the Best Plays of the Season:

- * Tim's MARSHIER (167) (the highest play)
- * Robert's QUEER (101) (the highest non-bingo)
- * Brian's CRANKI(E)S(T) (the flashiest 9-letter word)
