### **Notes:**

\* We enjoyed a banner season at the Orlando Scrabble Club in the second half of 2019! Attendance is strong and growing, and the competition and fellowship is equally strong! Forty-five different players attended at least one session, and 21 of those played 10 or more games. Over the 26 sessions in the 6-month season, we collectively played 694 games, laid down 1531 bingos, and tallied over 500000 points!

\* In the closest finish in club history, Ed L. earned the club championship with an .803 winning percentage, just ahead of Tim's .802! Ed L. also had the longest winning streak (14) of the season. Tim had the most session wins (10) and the highest scoring average (442). Brian & Art finished in 3rd and 4th places, respectively, and Art also tallied the highest game of the season (574). David S. notched the highest

play (TRACKERS for 149). David A. had the highest bingo average (2.05/gm) & most games played (97).

- \* Many players are improving, and we welcomed many returning and new players, too. Every session is fun & exciting! Join us in January as we kick off a new year and a new statistical season! See you in 2020!
